

TRAIFAST ENTERPRISES COMPANY LIMITED

Source. Supply. Deliver.

Corporate Profile

Traifast Enterprises Company Limited is a Ugandan company focused on business-to-business procurement, supply and distribution. We help businesses, institutions, contractors and projects source the products and supplies they need to operate, build and grow.

Our Purpose

To make it easier for businesses, institutions and communities to access the products, supplies and solutions they need to operate, build and grow.

Our Vision

To become a leading African supply, distribution and value-addition company, connecting businesses, markets and products across Africa and beyond.

Our Mission

To provide reliable procurement, supply and distribution solutions through efficient sourcing, strong supplier relationships, technology and responsible operations.

Core Solutions

Procurement	Local and international sourcing according to specifications.
Supply	Recurring and project-based supply coordination.
Distribution	Delivery coordination to sites, offices and facilities.
Special-Order Procurement	Focused sourcing for hard-to-find and project-specific requirements.

Product Categories

Industrial & Maintenance • Safety, PPE & Workplace • Electrical & Technical • Construction & Infrastructure • Institutional, Office & Cleaning • Agriculture & Post-Harvest • Packaging & General Business • Special-Order & Project Procurement

Industries We Serve

Construction & Infrastructure • Industrial & Manufacturing • Agribusiness • Hospitality • Institutions & Organizations • Energy & Oil & Gas • Retailers & SMEs • Projects & Development

Our Long-Term Philosophy

Start with what the market needs. Build what customers repeatedly buy. Manufacture what we can produce better. Expand where our systems can compete.
