

PRODUCT CATALOGUE

TRAIFAST ENTERPRISES COMPANY LIMITED

Source. Supply. Deliver.

A practical guide to the product and procurement categories Traifast can source and supply.

Our catalogue is category-based rather than a fixed stock list. Availability, specifications, brands, quantities, lead times and prices are confirmed against each customer requirement and current supplier availability.

HOW TO USE THIS CATALOGUE

- Tell us the product, specification, quantity and required delivery date.
- For non-stock or specialised requirements, Traifast can source to specification.
- For recurring requirements, we can discuss scheduled or framework supply arrangements.
- Prices are quotation-based and may vary with specification, quantity, supplier, exchange rate, taxes, freight and delivery requirements.
